

SONGWRITING WORKSHOP with Lynn Miles

Lynn Miles believes that there are no rules in songwriting, but there are styles and “norms” that exist at this point in popular music. This is where the songwriting discussion will start from. Topics covered will be: Song Structure; Verses, Choruses, Bridges, Rhyming Schemes, Rhythm Styles, Writers Block and Subject Matter Inspiration. Lynn will use songs she's written to explain her writing process, and other artists music as examples. Participants are encouraged to bring along their instrument and share a song or just sing acapella. Don't forget to bring copies of lyrics to share as well.

Saturday February 25, 2-4 pm, St. Lawrence Acoustic Stage, Morrisburg (in the OETIO/Morrisburg Meeting Centre, 12580 Cty Rd 2, Morrisburg).

Workshop Tickets \$25. We require a minimum number of eight participants for this workshop to proceed and will be capping registration at 20, so advance registration is required! Please email workshops@st-lawrencestage.com to register!
